Hatching Service Order Form with Conditions & Instructions

*Client to please complete **only** the pink shaded areas on the reverse side*

Egg Requirements

1. **Eggs must be clean.** Dirty eggs carry disease. You can wash them, but this reduces fertility. Better to ensure nesting material is clean.
2. Eggs must **not** be older than 10 days.
3. Eggs must be marked on the blunt end with a soft pencil to indicate the breed.
4. Parent chickens must not be older than 18 months.
5. Misshaped, too small, too large and dirty eggs will not be accepted and will be rejected.

Egg Collection & Storage

6. Breeding eggs should be collected three times per day and should be stored:
 - a. Sharp point down,
 - b. Between 8 to 24 °C and
 - c. Turned through 90° at least three times per day.
7. Chicks not collected within 5 days and unfertilised eggs will be disposed of at the sole Discretion of Grehenheim Poultry. Such disposal may include the sale of such eggs and/or chicks to recover costs and the owner shall have forfeited all rights to the eggs and/or chicks involved.

Egg Delivery & Chick Collection

8. Delivery of eggs are by appointment during normal business hours.
9. Collection within 24 hours after hatching by appointment during normal business hours.
10. Clients to supply their own chick and egg containers.

General

11. If hatching rates are substantially lower than our normal hatching rates, Grehenheim Poultry reserves the right to decline further hatching orders.

Rates

1 to 50 eggs:	R6.00 per live chick hatched
Over 50 eggs:	R5.00 per live chick hatched
Late Collection Fee:	10% of original bill will be added per day
Minimum Fee:	R100.00

Grehenheim clients qualify for discounts. The right to change these rates and conditions without prior notice is reserved

Disclaimer

While every reasonable care will be taken to hatch supplied eggs, Grehenheim Poultry accepts no liability whatsoever should eggs fail to hatch for any reason whatsoever and gives no guarantee whatsoever regarding hatching rates.

Kind Regards,

Frikkie J van Kraayenburg MSc (UP)
